

**AMERICAN WOOD-PRESERVERS' ASSOCIATION
STANDARD**

M6-65

BRANDS USED ON FOREST PRODUCTS

Note: Standard M6-65 consists of 16 pages dated as follows: Pgs. 1-16, 1965.

Note: Effective with this issue of M6, this Standard will be reprinted not more often than once every five years. The AWWPA Committee responsible for revision of this Standard, Committee T-7, Quality Control and Inspection, will continue to gather information regarding new, discontinued and superseded Brands, which will be reported annually in their Committee reports. The first of these reports will be presented at the 1964 AWWPA Annual Meeting in April. A limited number of reprints of Committee reports will be available from the AWWPA Headquarters Office, 839 Seventeenth St., N. W., Washington, D. C. 20006.
